3. Monitoring activities by the Board of Directors with the Board of Management:

- Monitoring activities by the Board of Directors with the Board of Management are performed according to the Company's Internal organization regulations and the Board of Directors' Operation regulations. Monitoring activities by the Board of Directors with the Board of Management are performed per the following manners: Organize meetings directed by the Board of Directors, attend periodic meetings directed by the Executive Board, approve reports from the Board of Management or approve other information channels. The Board of Directors has directed and closely followed the Board of Management in the performing of General Meeting of Shareholders' Resolution, the Board of Directors' Resolutions and Decisions according to law and the Company Regulations.

- In 2024, the General Director organized and executed the Company's production and sales activities per rights and duties according to law, to the Company Regulations, and the Company's internal management regulations, in addition to performing all the Board of Directors' Resolutions and Decisions. The General Director ensures to provide information and create opportunities for the Board of Supervisors to approach and inspect the financial status and other activities of the Company.

- The Board of Management maintains quarterly meetings and monthly progress meetings, in addition to organizing spontaneous meetings to conclude, review, and modify management and production methods in a flexible way that yields positive results.

4. Activities of subcommittees affiliated with the Board of Directors:

The Board of Directors does not establish any affiliated subcommittees. The Board of Directors elects one personnel to become the Board of Directors' secretary; when necessary, the Board of Directors will use managerial staff from the Company to help the Board of Directors with work.
