Pursuant to Circular No 96/2020/TT-BTC dated November 16, 2020 of the Ministry of Finance guiding the disclosure of information on the stock market.

Based on the business performance results of the first quarter of 2025 compared to the first quarter of 2024, Pharmedic Pharmaceutical Medicinal Joint Stock Company explains the reasons for the fluctuation in business results exceeding 10% between the two reporting periods as follows:

In the first quarter of 2025, the Company recorded a 24.15% year-on-year increase in net revenue. This growth was primarily driven by the implementation of customer appreciation promotional campaigns and the efficient utilization of locally sourced raw materials to reduce production costs. As a result, profit before tax rose by 54.41% compared to the same period in 2024.

We hereby certify that the information provided is true and accurate, and we assume full responsibility before the law for the content of this disclosure.
