Pursuant to Circular No. 96/2020/TT-BTC dated 16 November 2020, of the Ministry of Finance regarding the guidance on disclosing information on the securities market.

Ha Tinh Mineral and Trading Corporation – Joint Stock Company (the Corporation) with securities code (MTA) would like to explain the business results in Quarter 1/2025, as presented in the Consolidated Financial Statements, have changed by more than 10% year-over-year. Specifically, as follows:

The after-tax profit in Quarter 1/2025 increased year-over-year (from a loss of VND 5.19 billion in Quarter 1/2024 to a profit of VND 29.5 billion in Quarter 1/2025) due to the following reasons:

- In Quarter 1/2025, the selling price of pork products increased year-over-year, and disease control in Hà Tĩnh was more strictly managed, leading to a reduction in disease prevention costs. As a result, companies operating in the agriculture sector saw improved business results, specifically:

+ Mitraco Livestock Joint Stock Company: Revenue increased by VND 15.9 billion, and profit increased by VND 18.75 billion year-over-year.

+ Ha Tinh Agriculture and Forestry Development Joint Stock Company: Revenue increased by VND 15.0 billion, and profit increased by VND 8.4 billion year-over-year.

+ Thien Loc Animal Feed Joint Stock Company: Revenue increased by VND 10.5 billion, and profit increased by VND 2.09 billion year-over-year.

- The business results of other units remained relatively stable. Consequently, the Consolidated Financial Statements for Quarter 1/2025 reflect the changes year-over-year as stated above.

This is the explanation from the Corporation, respectfully submitted to the State Securities Commission and the Hanoi Stock Exchange for consideration.
