1. Company's name: **VIET NAM ECO PLASTIC TECHNOLOGY JOINT STOCK COMPANY**

2. Stock symbol: **ECO**

3. Address of head office: Trung Duong Village, Kieu Ky Commune, Gia Lam District, Hanoi City

4. Telephone: 0221 3791 003

5. Explanations:

Explanations for the differences of the Profit after corporate income tax on the financial statements of the first quarter of 2025 compared to the same period in 2024:

Criteria	Quarter IV/2024 (VND)	Quarter IV/2023 (VND)	Differences (+/- VND)	% of differences
Separate Financial Statements Profit after corporate income tax	3.549.704.448	2.746.201.190	803.503.258	29,26%

The reason for the increase in profit after tax on the Separate Financial Statement for the first quarter of 2025 compared to the same period in 2024 is that ECO's production and business activities in the first quarter of 2025 were still maintained stably with net revenue reaching 108 billion VND, an increase compared to the same period in 2024. At the same time, the ratio of cost of goods sold to net revenue also decreased compared to the same period in 2024.

Viet Nam Eco Plastic Technology Joint Stock Company would like to explain the differences of the Profit after corporate income tax on the financial statements of the first quarter of 2025 compared to the same period in 2024 as above to the State Securities Commission and Hanoi Stock Exchange.

With best regards!
