Subject: Request for Correction of Audited Consolidated Cash Flow Statement for the Year 2024

Dear Esteemed Authorities and the Company,

Following the issuance of the audited consolidated financial statements for the year 2024 (dated 25 March 2025) of Lam Dong Investment and Hydraulic Construction Joint Stock Company, we have identified errors in the presentation of certain items in the audited consolidated cash flow statement for year 2024, as detailed below:

Excerpt from Consolidated Cash Flow Statement for 2024:

Items	Code	Year 2024 VND	Year 2024 VND
		(Restated)	(Previously disclosed)
(Increase), decrease in accounts payable (excluding interest expense and CIT payable)	11	13,216,153,754	(10,795,185,761)
Interest paid	14	(3,182,582,255)	20,828,757,260

These typographical errors do not affect the net cash flows from operating activities, investing activities, or financing activities in the Company's 2024 audited consolidated financial statements.

Through this official letter, we respectfully notify the relevant authorities and the Company and formally request that the above figures be corrected in the audited consolidated financial statements for 2024.

This letter should be attached to and read in conjunction with the aforementioned audited consolidated financial statements.

We sincerely thank the esteemed Authorities and the Company for your attention and understanding.
