3. Supervisory activities of the Board of Directors over the Board of Managements:

- The Board of Directors regularly organizes inspections and supervision of the management and operation activities of the Board of Managements and management staff to ensure that the Company's production and business activities always comply with the provisions of law, the Charter of Operations and Resolutions of the Board of Directors and the General Meeting of Shareholders .

- The Board of Directors regularly urges the Board of Managements and all employees of the Company to uphold a sense of discipline and responsibility in organizing and implementing production and business tasks.

- Together with the Board of Managements, focus on implementing and completing production and business plan targets.

- Conduct inspection and supervision of the Board of Managements in compliance with current regulations and the Company's governance regulations in information disclosure activities for periodic financial statements, internal management reports, annual reports and other information disclosure documents .

- The Board of Directors always closely works with the Company's Executive Board to work directly with the Provincial People's Committee, local authorities, and relevant authorities to remove difficulties in supporting investors; research to implement new projects; Support investment promotion activities, etc.

- The Board of Directors proactively supports the Board of Managements in foreign affairs activities , specifically connecting with local authorities to register the Company's needs for research to implement new investment projects , all research projects have high competitiveness (Industrial parks and industrial clusters are all on the list approved by the Prime Minister for the Provincial Planning and are included in the land use plan and planning for the period 2021-2025). This is the strength of the VRG brand through the provinces' approval to assign VRG Company as the investor of industrial park projects; Industrial clusters are proof of the Company's reputation and ability to develop the brand nationwide .

- In addition, the Board of Directors also worked with authorities at all levels to consider approaching the proposal to become the Investor of Solar Power Projects (Approved by the Prime Minister in Decision No. 768/QĐ-TTg dated April 15, 2025, Power Planning VIII) and the High-tech Forestry Zone Project in the North Central region (Approved by the Prime Minister in Decision No. 746/QĐ-TTg dated April 10, 2025). The above projects have development potential, the ability to quickly recover capital; have long-term effectiveness and are consistent with the Company's long-term sustainable development orientation .

- On the other hand, the Board of Directors always facilitates regular monitoring and control activities or when requested by the Board of Managements.
