3	Nguyen Thi Hai Yen	Member of BOS	30/6/2020		2/2	100%	

2. Supervisory activities of the BOS regarding the Board of Directors, Executive Board and Shareholders:

- In the first half of 2025, the BOS implemented the following activities:

(1) **Regular supervision:** Monitored the Board of Directors (BOD) and Executive Board (EB) in management and operation through information gathered during the General Meeting of Shareholders (GMS), board meetings, resolution, directives & notices of meeting conclusions from the Chairman of BOD and General Director and direction supervision sessions of the BOS, verification of the 2024 financial statements. Ensured compliance with regulations for listed companies, focusing on information disclosure and governance reporting on PECC4's website.

(2) **Coordination with GMS Organizing Committee:** Supported preparation and successful organization of the 2025 Annual General Meeting on 23/04/2025. The BOS's report was unanimously approved with 100% votes.

(3) **Direct supervision sessions:** Conducted two supervision sessions, focusing on:

- Monitoring independent audits of the 2024 financial statements (FS);
- Appraisal of the 2024 financial statements;
- Verifying data and preparing reports for the 2025 GMS.
- Evaluating the implementation of 2025 GMS resolutions.

(4) **Meeting Participation and Observation:** Attended two BOD meetings, gathering information for evaluation. Key observations include:

The BOD held 11 meetings and 03 consultations to prepare for GMS and manage personnel changes. Regarding operational activities, the EB has a firm grasp of the BOD' strategic directions and has made significant efforts to increase revenue

and profit compared to the same period in 2024. Revenue for the first six months of 2025 reached 98.1 billion VND, a substantial increase of over 39 billion VND (a 66.4% rise) compared to 2024. The company has prioritized completing signed consulting contracts to solidify revenue recognition and has intensified cost-saving measures to achieve its planned revenue targets. After-tax profit for the first six months of 2025 hit 5.9 billion VND, an increase of 1.9 billion VND (equivalent to 46.9%) over the same period in 2024. All financial indicators for the first six months of 2025 are within a safe range.

In the first half of 2025, the BOS received no complaints from shareholders.

3. Coordination between the Board of Supervisors and the Board of Directors, Executive Board, and other management personnel:

- BOS's members participated in two BOD meetings and had access to information for supervision and evaluation.
- BOS reviewed and contributed to amendments of internal governance policies.
- Worked directly with functional departments to gather operational data for effective supervision.
- The BOD and EB provided timely information on resolutions and operations, ensuring compliance with BOS's recommendations.

4. Other Activities of the Board of Supervisors:

- Summarized supervision activities for the first six months of 2025 and projected a supervision plan for the latter half of 2025.
- Monitored compliance with regulations for listed companies on the stock exchange regarding information disclosure. No instances of share transactions with related parties were recorded during the period.
- The BOS also diligently and fully completed all required supervisory reports.

Participated in training on supervision procedures and new legal regulations.
