3. Supervising the Board of Directors, Board of Management and shareholders by the Control Board:

- Monitoring the implementation of the production and business targets, as well as the investment plan for 2025 assigned by the General Meeting of Shareholders, through Board of Directors (BOD) meetings, regular briefing sessions, and reviewing documents to understand the Company's operational status.

- Monitoring the activities of the Board of Directors and the General Director based on compliance with the Saigon Port Charter, internal regulations, and applicable legal provisions. Specifically:

- + The Board of Directors has organized meetings and obtained members' opinions in writing as per regulations. The issuance of resolutions and decisions is appropriate and in line with the authority and regulations.

- + The Board of Management has been implementing the Company's business operations in accordance with the resolutions of the General Meeting of Shareholders for 2025, following the direction of the Board of Directors.

- Along with the achieved outcomes, the work of assigning BSC-KPI targets, utilizing real estate assets, and digital transformation efforts are still being implemented slowly.

- In the first half of 2025, the Board of Supervisors did not receive any petitions or complaints from shareholders or shareholder groups.

4. Coordination of Activities between the Board of Supervisors (BOS) and the Board of Directors (BOD), Executive Board, and Other Managers

- The BOS's activities comply with the Company's Charter, the Enterprise Law, and current regulations. During implementation, the BOS coordinates with the Board of Directors, the General Director, and the Executive Board to carry out the supervision and inspection work.

- The BOS participates in meetings of the Board of Directors and the General Director's production coordination meetings, which helps ensure effective and timely monitoring and inspection.

- Through its inspection and supervision activities, the BOS has made suggestions, proposals, and recommendations, which have been highly appreciated by the Board of Directors and the General Director for both their quality and timeliness.

5. Other activities of the Control Board (if any): None
